TOWN OF ATKINSON

TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Atkinson, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Grange Hall in said Atkinson on Tuesday, the 10th day of March next, at one o'clock in the afternoon and close not earlier than seven P.M. to act on the follow subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will officially adopt the non-partisan ballot system.

4. To see if the Town will vote to raise and appropriate the sum of two hundred dollars ($200.00) to eliminate a driving hazard at the intersection of Meditation Lane and Sawyer Avenue.

5. To see if the Town will vote to raise and appropriate the sum of six hundred seventy five dollars ($675.00) to completely paint the exterior of the Kimball Public Library.

6. To see if the Town will vote to raise and appropriate the sum of ($150.00) one hundred fifty dollars to gravel and oil the connecting road between Sawyer Avenue and North Broadway.

7. To see if the Town will vote to accept a trust fund of one hundred dollars, donated by Mrs. Benjamin O. Wood, the income only to be expended for the care of the Wood Lot located in the Old Cemetery at Atkinson, N. H.

8. To see if the Town will vote to raise and appropriate the sum of one hundred dollars ($100.00) for the purchase of a

new power mower to be used in the Town's Cemeteries and Commons. The old machine to be traded if possible.

9. To see if the Town will vote to raise and appropriate the sum of two hundred seventy six dollars ($276.00) to partially paint the exterior of the Kimball Public Library.

10. To see if the Town will vote to give the Engineers of the Fire Department authority to trade the present tank truck, either as a unit or tractor only, for another unit of greater horsepower capable of handling our present needs. The tractor we now have is under-powered for the load it is required to haul.

11. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to hire such sums of money as the Town will need in anticipation of taxes.

12. To see if the Town will authorize the Selectmen to distribute blank inventories at the time they examine and appraise the property to be taxed.

13. To see if the Town will vote to raise and appropriate the sum of two hundred dollars ($200.00) to install a plank floor in the town highway garage and also build a storage bin for salt and other materials.

14. (By request) To see if the Town will vote to accept a road abutting Main Street, known as the Hill Top road.

15. To see if the Town will vote to accept the recommendation of the Planning Board to revise the zoning regulations as authorized by Chapter 31, Sections 60-89, New Hampshire Revised Statutes Annotated 1955.

Revision of Atkinson Zoning Ordinance
Town of Atkinson, New Hampshire

ARTICLE I

Preamble

In pursuance of authority conferred by Chapter 31, Sections 60-89, New Hampshire Revised Statutes Annotated, 1955, and for the purpose of promoting the health, safety, morals, prosperity, convenience or general welfare, as well as efficiency and economy

in the process of development of the incorporated Town of Atkinson, New Hampshire, by securing safety from fire, panic and other dangers, providing adequate areas between buildings and various rights of way, by preserving the rural charm now attached to our town, the promotion of good civic design and arrangements, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, and by other means, now therefore the following ordinance is hereby enacted by the voters of the Town of Atkinson, New Hampshire, in official meeting convened.

ARTICLE II

Districts

For the purpose of this Ordinance the Town of Atkinson is divided into districts as shown on the Zoning Map filed with the Town Clerk and dated ....., and including the following: (1) General Residential and Agricultural District; (2) Commercial District.

ARTICLE III

Definitions

For the purpose of this Ordinance, certain terms are defined as provided in this section.

A. *Home produce and products* means and includes everything of an agricultural nature grown, produced, or conditioned on the property of the resident, also such articles as are manufactured or altered by members of the household of the bona fide resident of any property.

B. *Right of way* means and includes all town, state and federal highways and the land on either side of same as covered by laws to determine the width of rights of way.

C. *Permanent residents.* A family shall be considered permanent residents when they have used any building continuously as a residence for a period of six months or more.

D. *Tourist home* shall mean any place consisting of a room or group of rooms located on one premises where transient accommodations for sleeping or living purposes for not more than six persons are provided for a price.

E. *Accessory building or use.* A building or use subordinate to the main building or use and customarily incidental to the main purpose of such building or use.

F. *Frontage* shall mean the length of the lot bordering on the public right of way.

G. *Junk* means any old metals, old bottles, cotton or woolen mill waste, unfinished cloth, unfinished cotton or woolen mill yarns, old paper products, old rubber products, two or more unregistered motor vehicles, and other second hand articles, the accumulation of which is detrimental or injurious to the neighborhood.

H. *Nonconforming use* means a building, structure or use of land existing at the time of enactment of this ordinance and which does not conform to the regulations of the district in which it is situated.

I. *Trailer coach* shall mean any vehicle used or intended to be used for living or sleeping purposes which is or may be equipped with wheel or wheels or similar devices for the purpose of transporting the unit, whether by motive power or other means. The term shall apply to such vehicles, regardless of the removal of wheels, the placing of a trailer coach on a foundation, or the construction of accessory buildings.

J. *Trailer camp* means a land area in separate ownership, occupied or designed for occupancy by two or more trailers or camp cars in use for living purposes.

ARTICLE IV

General Provisions

A. No owner or occupant of land in any District shall permit fire or other ruins to be left but shall remove the same within two years.

B. Any uses that may be obnoxious or injurious by reason of the production or emission of odor, dust, smoke, refuse matter, fumes, noise vibrations, or similar conditions, or that are dangerous to the comfort, peace, enjoyment, health or safety of the community or lending to its disturbance or annoyance are prohibited in any District.

ARTICLE V

General Residential and Agricultural District

The General Residential and Agricultural District shall enjoy the following provisions:

1. It shall be a district of residences and farms. No other uses than those specified here will be permitted.
2. General farming, including horticultural, dairying, livestock and poultry raising, and other agricultural uses, or the raising of animals for other purposes are permitted in this district.
3. Single-family and two-family residences are permitted in this District.
4. There shall be between the edge of the nearest right of way and the extreme front of any building a yard having a minimum depth of thirty feet. No building shall be located within 15 feet of the side or rear property line.
5. Buildings, structures, and uses which are accessory to buildings or uses permitted by this ordinance shall be permitted in this district except that this shall not include the storage of waste or junk.
6. Home produce and products may be bought and sold and exposed for sale in this District.
7. Tourist homes may be maintained and operated in this District.
8. Residences may be used to house such uses by the owner or tenant as offices for doctor, engineer, architect, lawyer, real estate and insurance, or other recognized profession and such home occupations as hairdressing, dressmaking, manufacture of craft products, manufacture of food products, except that the number of persons employed at any one location shall not number more than two persons in addition to the owner or tenant.
9. Churches, schools and sanitaria are permitted in this District.
10. Property owners of enterprises shall be allowed two advertising signs for produce sold on the premises, such signs not

to total over fifteen square feet in area; also one or more signs pertaining to the lease, sale or use of a lot or building on which placed, which shall not exceed a total area of five square feet.

11. Frontage. Each lot shall have a frontage of at least 175 feet.

12. Minimum Land Area. No lot shall be less than 35,000 square feet.

13. No privy, cesspool, septic tank, or sewage disposal area, shall be constructed or maintained less than 75 feet from the edge of a public water body or permanent stream; from a well; or from a dwelling other than that to which it is appurtenant.

14. No trailer coach or trailer camp shall be maintained for living purposes in this District, except when a residence is under construction a trailer coach or camp may be parked for not more than six months with a permit granted by the Selectmen; such permit may be renewed for a six month period.

15. No sheds, lean-tos or other structures may be built onto any trailer coach other than an awning.

16. No gravel pit, sand pit, or quarry shall be permitted in this District except as herein provided:

    a. The Board of Adjustment shall approve the temporary operation of a pit or quarry which is incidental to the improvement of the land provided that such operation will not create a traffic condition detrimental to the neighborhood or hazardous to the use of the highway, and provided that such operation will not create noise or dust to the extent that it will be detrimental to the health or comfort of nearby residents. The Board of Adjustment shall determine the effective duration for which such a permit may be issued and upon application may approve renewal of such permit upon re-determination of the conditions under which such permit may be allowed.

    b. No processing of sand, gravel or stone shall be permitted in this District.

ARTICLE VI

Commercial District

The following shall be permitted in the Commercial District:

1. Any use permitted in the Residential District under the same provisions as apply to residences in that district.
2. Shops, restaurants and other retail and wholesale businesses.
3. Garages, parking lots and filling stations.
4. Business offices and banks.
5. Theaters, halls, fraternal organizations.
6. No building in this District shall be located nearer than 30 feet from the edge of the nearest right of way.
7. No building shall be located within 15 feet of the side or rear property lines.
8. If any proposed use is such to attract vehicles, ample space shall be provided on the property to accommodate all such vehicles attracted by the business.

ARTICLE VII

Nonconforming Uses

A. Any nonconforming use may continue in its present use except that any nonconforming use or building may not be:

   1. Changed to another nonconforming use;
   2. Re-established after discontinuance for two years except to a use conforming to the District in which it is located;
   3. Extended.

ARTICLE VIII

Enforcement

1. It shall be the duty of the Board of Selectmen, and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

2. There shall be a Building Inspector who shall administer the provisions of this Ordinance and report violations to the Board of Selectmen.

3. The Board of Selectmen shall annually appoint a Building Inspector. In the event of the death, disability, resignation, or disqualification of the Building Inspector, the Selectmen shall appoint a Building Inspector to serve in his place. The Board of Selectmen may, for cause and by majority vote, disqualify the Building Inspector at any time.

4. The Building Inspector shall issue any and all permits requested when such permit is in accordance with the provisions of this Ordinance. Application for a permit shall be made on forms provided by the Building Inspector.

5. After passage of this Ordinance, it shall be unlawful to erect any building or alter the bulk of any building or relocate any building or change the use of any land or building without first obtaining a permit from the Building Inspector except that no permit shall be required for alterations involving less than $200.00.

6. All permits, with the exception of Residential Permits, shall not be granted for a period of ten days. Notice shall be given in writing to all abutters, by the Building Inspector, of such building to be erected or proposed use of land or building.

7. Upon any well-founded information that this Ordinance is being violated, the Selectmen shall take immediate steps to enforce the provisions of this Ordinance by seeking injunction in the Superior Court or by any other legal action.

ARTICLE IX

Board of Adjustment

Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five members conforming in duties to the provisions of Chapter 31 of the N. H. Revised Statutes Annotated, 1955. Thereafter as terms expire or vacancies occur, the appointing authority shall be

responsible for filling vacancies and maintaining full membership of the Board of Adjustment. The Board of Adjustment shall conform in membership and term of office to the provisions of Sections 67-76, Chapter 31, N. H. Revised Statutes Annotated, 1955. In addition to the general powers granted said Board by said Chapter 31, it may, in harmony with and subject to its provisions:

A. Waive the Residential District frontage requirement where there are unusual conditions of street curvature. In such cases, however, the average width of the lot shall be equal to or greater than the frontage requirement.

B. Permit in a Commercial District manufacturing which is incidental to a retail business where articles are sold at retail on the premises and where not more than five (5) operators are employed in such manufacturing.

ARTICLE X

Amendments

This Ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting, and when such amendment has received a public hearing, which hearing has been advertised and given a legal fifteen day notice.

ARTICLE XI

Penalty

Every person, persons, firm or corporation violating any of the provisions of this Ordinance shall be fined not more than ten dollars upon conviction for each day such violation may exist, plus all legal costs in connection with settling the issue.

ARTICLE XII

Saving Clause

The invalidity of any provision of this Ordinance shall not affect the validity of any other provision.

ARTICLE XIII

When Effective

This Ordinance shall take effect upon its passage.

16. To see if the Town will vote to revise the building code of 1951, and to substitute the following building regulations, as authorized by Chapter 156, Sections 1-5, New Hampshire Revised Statutes Annotated, 1955.

Revision of Atkinson Building Regulations
Town of Atkinson, New Hampshire

I. *Building Inspector*

A. Appointment: The Building Inspector shall be appointed annually by the Board of Selectmen. In the event of the death, disability, resignation, or disqualification of the Building Inspector, the Selectmen shall appoint an Inspector to serve in his place. The Selectmen may, for cause and by majority vote, disqualify the Building Inspector at any time.

II. *Duties of the Building Inspector*

A. The Building Inspector shall be the administrative officer of this Ordinance. He shall:

1. Receive applications and fees for the erection and/or alterations of buildings and electrical wiring thereof as provided in this ordinance.
2. Make available applications in duplicate.
3. Keep complete records of his action on all applications along with the duplicates of said applications.
4. Promptly survey sites of proposed buildings or buildings to be altered, and study proposed uses of said buildings.
5. Issue or deny residential permits within five (5) days of receipt of application.

6. Regularly inspect buildings during the process of erection or alteration.

7. Report violations of this ordinance immediately to the Board of Selectmen.

8. Take such action in the enforcement of this Ordinance as may be directed by the Selectmen.

9. Accept and deposit with the Town Treasurer all fees collected by him under this Ordinance.

10. Act in cooperation with fire authorities in any matter in which their duties as prescribed by law may coincide or conflict.

III. *Duties of the Applicant*

A. Any person, persons, partnership, or corporation intending to construct a new building or to make exterior structural alterations, said alterations to exceed two hundred dollars ($200.00) in cost, shall first make application for a permit on forms obtained from the Building Inspector.

1. Said application shall be accompanied by a sketch or plan of the proposed building or alterations.

2. Said application shall be accompanied by a signed statement of the intended use of the building upon completion of construction or alteration.

B. The applicant shall display prominently at the site of the construction or alteration a card issued by the Building Inspector evidencing his permit.

C. The applicant shall make the premises accessible to the Building Inspector at reasonable times for the performance of his duties.

IV. *Application Fees*

A fee of ten dollars ($10.00) shall accompany each application for a permit. One half of all fees shall be re-

turnable to the Building Inspector and shall constitute payment in full for his services.

V. *Structural Requirements*

No building shall be erected, altered, rebuilt, remodeled, or substantially repaired unless in compliance with the following requirements:

A. Any building constructed for commercial, or public use, or any building to be reconstructed in excess of 50% and intended for any of the said uses, shall provide for noncombustible walls and partitions between its component parts. Any building of wood or other combustible material shall provide, when reconstructed, remodeled, or altered, for fire stops in every combustible wall or partition, at every floor, and between floor joints at every partition.

B. Any building intended or designed for any public use or congregation of people shall provide, when erected or altered, exits as approved by the office of the State Fire Marshal.

C. No public garage for the storage of five or more motor vehicles, or no building having automobile service or repair enterprises connected therewith, shall be erected, altered, or enlarged, unless the building is constructed, either in its entirety or to the extent of the alteration, enlargement, or addition, of material commonly considered slow burning or noncombustible. The use of approved automatic sprinklers may obviate this requirement.

D. No roof of any building may be covered, or recovered in excess of twenty-five percent (25%), unless noncombustible or fire-resistant materials are used.

E. No chimney shall be built, erected, or altered below the roof unless containing a tile or brick lining and with an iron clean-out door at or near its base, and shall extend at least three feet above the roof. No chimney shall be built, erected, or altered below the

roof having wood or other combustible materials within one inch of the chimney and no chimney shall have its base resting upon any floor or beam of combustible material.

F. No wallpaper or other combustible material shall be laid over any thimble or thimble hole in any chimney.

G. No smoke pipes shall be installed or erected so as to be within twelve inches of any combustible floor or ceiling, unless amply protected with noncombustible material. No smoke pipe shall be installed or erected which passes into or through partitions or walls of combustible material, except when guarded by a double collar of metal with air space of at least five inches, or by at least five inches of brick or other noncombustible material between the pipe and the combustible material.

H. Electrical wiring installed in any new building, or installed or extending during any reconstruction, alteration, or remodelling of any building, shall conform to and comply with the regulations and amendments to regulations of the National Board of Fire Underwriters, said regulations known as the National Electric Code.

I. All structures shall be set on solid foundations of cement, brick, stone or other acceptable masonry, such foundations shall have adequate footings, except that in special cases where buildings are to be used for accessory use the Building Inspector may waive the requirements of this section and permit the use of wood, metal or masonry piers.

J. Every building to be used as a residence shall have a minimum ground floor area of six hundred (600) square feet outside measurement, and a floor area, exclusive of cellar, of 600 square feet for each additional dwelling unit.

K. Outside walls shall be constructed of material commonly used for outside construction and materials customarily painted shall be painted.

L. All dwellings and all commercial or public buildings shall be connected to the public sewer system when available. When a public system is not available a private sewage disposal system is required. The type, size, and construction of all septic tanks and drainage fields shall be approved by the town health officer.

M. The construction of small accessory buildings not used for living purposes, together with minor alterations, repairs and general upkeep of existing buildings shall be exempt from the provisions of this Ordinance.

VI. *Amendment*

This Ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting.

VII. *Enforcement*

Upon any well-founded information that this Ordinance is being violated, the Selectmen shall take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other appropriate legal action. Whoever violates any of the above regulations shall be punished upon conviction by a fine not exceeding $10.00 for each day of each violation, plus all legal costs in connection with settling the issue.

VIII. *Takes Effect*

This Ordinance shall take effect upon its passage.

IX. *Conflicting Provisions*

Wherever the regulations made under the authority hereof differ from those described by any statute, ordinance, or other regulation, that provision which imposes the greater restriction or the higher standard shall govern.

X. *Validity*

If any section, clause, provision, portion or phrase

of this Ordinance shall be held to be invalid or unconstitutional by any court or competent authority, such holding shall not affect, impair or invalidate any other section, clause, provision, portion or phrase of this Ordinance.

17. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, plats showing new streets or the widening thereof, or parks, and upon adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Rockingham, a certificate or note showing that the said Planning Board has been so authorized, giving the date of the authorization, as provided in Sections 19-29 inclusive, Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955.

18. To hear the reports of Town Officers and Committees, act on the same and transact any other business that may legally come before the meeting.

Business meeting will be adjourned until Saturday evening, March 14th, 1959.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and fifty nine.

REPORT OF THE HIGHWAY DEPARTMENT

During the year of 1958, all culverts on Town highways have been cleaned, some repaired and two replaced. Cutting of shoulders, as well as ditching has been done so far as the appropriations would permit. We have at the present time about 12 miles of roads which are maintained by the Town so far as resurfacing is concerned. We plan to resurface about four miles each year. This past year the following roads have been resurfaced:

Maple Avenue Extension

Leroy Avenue

Island Pond Road

West Side Drive

Part of Providence Hill Road

A total of 4.3 miles — 9,287 Gals. of M. C. Cutback Asphalt was used for this work. The highways have been checked periodically and repairs made wherever needed. The sanding machine as well as the three plows have been rebuilt, and new shoes installed on the V Plow.

I wish to express my appreciation to the Townspeople for the cooperation that I have received from them during the past year.

Respectfully submitted,

WALTER J. WEEKS,

Highway Agent.

REPORT OF AUDITORS

This is to certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Town Treasurer, Trustees of Trust Funds, Trustees of Todd Poor Fund, Trustees of the Whittaker Fund, Treasurer of Library Trustees for the year ending December 31, 1958, and find them correctly cast with vouchers.

PHILO A. HUTCHESON,

GLADYS R. DYKE,

Auditors.

REPORT OF THE TRUSTEES OF THE KIMBALL PUBLIC LIBRARY

It is again the time of year for evaluating by the Library Trustees — to look back and plan ahead.

Our Library Service has continued the steady growth pattern with more people taking out more books than ever before. The gutter repair was completed and also the necessary plumbing from the new well was finished. We now have two independent systems to obtain water as needed. The exterior of the building is urgently in need of painting as it has been about 8 years since one coat of paint was applied.

On May 8th the Trustees attended the State meeting in Laconia. In October a regional meeting was held in Pelham and we heard a speaker from the State, inspected new books and shared problems of other small town Libraries. At the State meetings we hear outstanding speakers from other parts of the country as well as our own. This is the second year that the State Trustees' Association has been organized. It is difficult indeed to attend one of these meetings without receiving a whole new concept on the importance of our Libraries. Free Public Library Service is as basic to our democracy as the right to vote.

There are 238 Libraries in New Hampshire and many, like ourselves, are in small towns. We are living with a shrinking dollar that as of June 1958 was worth only 48 cents. Book costs have sky-rocketed and the average book cost $4.48 in June of 1958. Faced with these facts the Trustees of small Libraries could forecast a gloomy period ahead for increases in Library Service. But, something is happening that may change all that. A Library system is being set up so that the Libraries in small towns are the center of a network that reaches out to other towns, our own State Library and elsewhere to obtain requested material. Given

advance notice your Librarian may be able to obtain just what is needed.

It was voted at the Laconia meeting to have a survey made of all the Libraries in the State. This will facilitate setting up a cooperative system later that will mean savings in purchasing books and supplies. There will be a universal system of cataloging and listing of all books so as to be available to other Libraries.

The State advocates that 2 or 3 neighboring towns join together in planned book purchases so that a larger discount may be obtained. We hope to meet shortly with trustees in two towns and obtain their views.

Again to our very competent Library Staff, Mr. and Mrs. Reynolds, we extend our thanks for their fine cooperation. The Librarian and the Board, when buying new books, tries to find something of interest for all ages. The Bookmobile stops at the Schools and the Library, regularly, serviced from the office in Exeter. The State estimates that this Service means a saving of several thousand dollars per year to a Town.

We are happy that more people each year continue to use their Library Service, and sincerely hope that this trend continues for many years.

Respectfully submitted,

MARJORIE P. BARNUM, *Chairman*

ANITA H. HAMILTON, *Treasurer*

MARJORY LITTLE, *Secretary*

Trustees.

KIMBALL PUBLIC LIBRARY TRUSTEES
TREASURER'S REPORT

The Kimball Public Library had a balance of $4.25 in April 1958. The Town appropriated $500.00 for the maintenance and operation of the Library, and $375.00 to pay for the installation of the Bathroom. The following deposits were made in the Merrimack Valley National Bank:

April 1	Balance, 1957	$4.25
April 30	Town Appropriation	250.00
April 30	Special Appropriation	375.00
July 28	Town Appropriation	250.00
July 28	Sale of Books	8.25
Sept. 25	Sale of Books	3.12
Dec. 31	Sale of Books	3.80
	Total	$894.42

Expenditures for 1958 were:

April 15	Elgin Reynolds, Bathroom	$375.00
April 16	Esther M. Walker, Book	7.50
April 21	Campbell and Hall, Inc., Books	136.61
July 5	Edna Wright, Cleaning	14.00
July 28	Floyd H. Kilburn, Repairs	100.00
July 29	Campbell and Hall, Inc., Books	142.29
Sept. 25	Campbell and Hall, Inc., Book	3.12
Oct. 14	Anita Hamilton, Book	4.85
Nov. 21	J. Russell Colcord, Plumbing	10.55
Nov. 21	Campbell and Hall, Inc., Books	13.28
Dec. 23	Campbell and Hall, Inc., Books	70.97
Dec. 31	Campbell and Hall, Inc., Books	6.99
	Service Charges on Checking Account	6.03
	Total	$891.19

Present Balance in Merrimack Valley National Bank	$3.23
Gift Fund Balance in Haverhill Savings Bank	$10.84
Town of Atkinson, Payment of Loan	5.50
Balance	$5.34
Interest at Bank	.34
Present Balance in Haverhill Savings Bank	$5.68

LIBRARIAN'S REPORT

This has been another busy year at the Library. The circulation has had a good, continuous growth. Many new residents have become regular patrons and have a keen interest in the work of our Library.

The greatest aim of your Trustees and your Librarian has been to give good service. However, sometimes it is difficult to procure materials wanted, unless given sufficient time to borrow from the State Library or from neighboring libraries, but under every circumstance we will do our best.

In my opinion, we need to develop our reference library greatly, keeping the high school student in mind.

We would appreciate suggestions, at any time, for book purchases. We usually plan to make four purchases a year.

A plan is under way to organize a cooperative buying system which would allow us more books for less money. We are very enthusiastic in this endeavor and hope in the near future it will become a reality.

The Bookmobile continues to come at regular intervals, always leaving a fine selection for adult and juvenile readers.

There were several gifts of books and magazines given during the year, included in these were several years of the National Geographics. These donations are always greatly appreciated.

The Library hours remain as in the past — Tuesday 7 to 9 P.M., and on Saturday 2 to 5 and 7 to 9 P.M.

Remember! This is your Library. You are always welcomed.

Again, I wish to extend my thanks to the Trustees for their cooperation.

Respectfully submitted,

BEATRICE E. REYNOLDS,

Librarian.

ATKINSON FIRE DEPARTMENT BUDGET FOR 1959

As submitted by the Board of Engineers

Telephone	$400.00
Insurance on Trucks and Equipment	55.00
Insurance on Personnel	184.50
Heating	275.00
Electric	45.00
Maintenance	150.00
Gasoline and Oil	135.00
Supplies	475.00
Tires	175.00
Hose	605.00
	$2,499.50

REPORT OF THE BOARD OF ENGINEERS
ATKINSON FIRE DEPARTMENT

During the year 1958 we were very fortunate to have a low fire loss of only $8,300. Due to a wet spring and fall grass and brush fires were at a minimum. New equipment purchased this year includes: 500 ft. of 2½ in. hose and 100 ft. of 1½ in. hose. Two Scott Air Paks, a portable lighting unit, and two floodlights to go with this new equipment. Two barn fires were responsible for our $8,300 dollar loss for the year.

Our department was called out of town to aid Hampstead, Plaistow and Haverhill, which places are on a mutual aid program.

I wish to take this opportunity as your chief for nine years to thank the members of the department and townspeople for the fine cooperation I have received.

Respectfully submitted,

WILBUR R. MOODY,

Chief of the Board of Engineers.

REPORT OF THE FORESTRY DEPARTMENT

1958 was one of the wettest years on record in this area. Cooperation of Atkinson residents in obtaining permits and properly tending fires continued excellent. These two factors combined to make 1958 one of the best years in the history of the Town from the point of view of fire prevention in woods and fields.

The undersigned, along with Deputy Wardens Hotchkiss and Moody attended the spring training session in Exeter. This year's session included work in the woods, and we spent two hours actually building fire lines with all known types of forest fire tools.

Twenty-five percent of all forest fires in New Hampshire are caused by careless burning of debris. The great majority of these are started without the required permit and cost large sums of money to extinguish. According to law, the party responsible is liable for these costs. In addition, violators of the permit law may be subject to court prosecution with fines running as high as two hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It provides a suitable place for disposal of your trash and cut brush; it eliminates the hazard of burning at home; and it may save you much trouble — both personal and financial.

If, however, you do burn on your premises:

1. Secure a permit from the Warden.
2. Be sure to properly supervise your burning; don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Respectfully submitted,

AUSTIN B. WASON,

Forest Fire Warden.

MERTON A. WEBBER,

District Fire Chief.

REPORT OF THE BUILDING INSPECTOR

52 Permits were issued during the year 1958, broken down as follows:

39 Single Family Homes, Valuation	$353,400.00
6 Camps, Valuation	9,500.00
6 Alterations and Additions	6,750.00
Total	$369,650.00

1 trailer permit was issued with the approval of the Selectmen, for a period of six months, while a new house is being built.

All permits were issued for approximately two-thirds of the construction cost as estimated by the builder, as approved by the Federal Agency.

A minimum of four inspections were made by the inspector on each new construction.

Comparable figures for the year 1957 were 48 permits for $261,000.

Respectfully submitted,

PHILO A. HUTCHESON,

Building Inspector.

REPORT OF POLICE DEPARTMENT

During the year of 1958, a large number of complaints were answered which was responsible for extra money being spent over the budgeted amount. Breaking and entering and petty larceny were responsible for a great number of these complaints.

I wish to call to your attention the fact that stop signs and one way streets are not being heeded; your cooperation in this matter will be greatly appreciated and avoid a lot of hard feelings because these signs are going to be enforced.

Respectfully submitted,

WILBUR R. MOODY,

Chief.

ANNUAL REPORT

of the

SCHOOL BOARD

of the

SCHOOL DISTRICT OF ATKINSON

NEW HAMPSHIRE

OFFICERS OF THE SCHOOL DISTRICT OF ATKINSON

Board of Education

Name	Term Expires
David Rockwell, Chairman	1959
Kingdon Hamilton	1960
Kenneth Hurteau	1961
Harry B. Tuttle (elected annually)	Moderator
Allister F. MacDonald (elected annually)	District Clerk
L. Edna Wright (elected annually)	District Treasurer
Gladys Dyke (elected annually)	District Auditor
Philo A. Hutcheson (elected annually)	District Auditor
Wendell V. Davis	Superintendent of Schools

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Atkinson qualified to vote in district affairs:

You are hereby notified to meet at the Grange Hall in said district on the twelfth day of March, 1959, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will raise and appropriate a sum of nineteen hundred and fifty dollars ($1,950.00) to be paid to the

school district before June 30, 1959, to offset obligations in excess of appropriations for Tuition and Transportation, in the current budget.

10. To see if the district will authorize the school board to carry out the necessary renovations at the Academy to provide an additional classroom, and authorize them to issue bonds or notes in an amount not to exceed forty-five hundred dollars ($4,500.00) payable from funds to be raised by taxation, for the purpose of financing such renovation.

11. To see if the district will vote to raise and appropriate a sum of one hundred thirty-five dollars ($135.00) to meet the first interest payment on the notes in Article 10.

12. To see if the district will vote to raise and appropriate a sum of six hundred dollars ($600.00) to operate the additional room at the Academy.

13. To see if the district will vote to raise and appropriate a sum of three thousand dollars ($3,000.00) to provide transportation for high school students to Haverhill.

14. To see if the district will vote to raise and appropriate a sum of six hundred dollars ($600.00) to provide and install a fire detector and alarm system at the Academy.

15. To see if the district will vote to add the services of a Union Art Supervisor. This position will not start until September 1960 and will not raise any money at this time. This service and expense would be shared with three other towns in Union No. 55.

16. To see if the district will vote to add the services of a Union Remedial Reading Teacher. This position will not start until September 1960 and will not raise any money at this time. This service and expense would be shared with three other towns in Union No. 55.

17. To see if the district will vote to add the services of a Union Special Education Teacher. This position will not start until September 1960 and will not raise any money at this time. This service and expense would be shared with three other towns in Union No. 55.

18. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes, as may now or hereafter be forthcoming from Federal, State, local or private agencies.

19. To transact any further business that may legally come before the meeting.

Given under our hands at said Atkinson this sixteenth day of February, 1959.

DAVID J. ROCKWELL

KINGDON H. HAMILTON

KENNETH H. HURTEAU

School Board.

The Polls will be open to vote for District Officers from 7:30 to 8:30 P.M. The other articles of the Warrant will be taken up at 8:30 o'clock.

REPORT OF SCHOOL DISTRICT TREASURER
for the
Fiscal Year July 1, 1957 to June 30, 1958

SUMMARY

Cash on hand, July 1, 1957 (Treasurer's bank balance)		$888.09
Received from Selectmen:		
Current Appropriation	$46,346.65	
Received from State Treasurer:

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your School Board is operating during 1958-59 and their proposed expenses for the year 1959-60. It must be taken into consideration that monies appropriated in the month of March, to be used the following year do not necessarily correspond in individual items, because of the impossibility of projecting the rising price indexes twelve months hence.

THE ATKINSON SCHOOL BOARD

	Expended 1957-58	Approp. 1958-59	Proposed 1959-60
ADMINISTRATION

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Atkinson:

I am presenting herewith my Third Annual Report as Superintendent of Schools in Atkinson. This report is written under the main headings: Personnel, School Buildings, Bonded Indebtedness and Borrowing Capacity, Curriculum, and Community Organizations. A report of the Principal covering activities of the schools for the past year follows this report, as well as general statistical reports.

PERSONNEL

Last September two new teachers were added to the Rockwell School staff. They were Mrs. Marion MacNeil, a graduate of Plymouth Teachers College with two years' experience, to teach in Grades 2-3 and Mrs. Marion Pounder, a graduate of Plymouth Teachers College with five years of experience, to teach in Grades 4 and 5. At the beginning of the second semester, Mrs. Ida White, teacher of Grades 5-6 at the Academy, was granted a leave-of-absence due to ill health, and was replaced by Miss Barbara Bird. Miss Bird is a graduate of Merrimack College with three years' experience.

All teachers have continued membership in local, state and national professional teachers' organizations.

Although teachers' salaries have increased in Atkinson, the salaries are under the New Hampshire average for elementary teachers and the salaries in New Hampshire are substantially below the national average paid all teachers. To further complicate matters, the Massachusetts State Legislature passed, as of November 1, 1958, a minimum salary law for all beginning teachers, of $3,600. This affects all towns bordering Massachusetts. In addition — the prevailing wage for teacher college graduates this coming June will be about $3,800, according to reliable sources.

The School Board realizes that you need an attractive salary schedule to interest fully qualified teachers who are the backbone of any school system. This is especially true when you have double-graded classrooms. I strongly urge you to support the School Board in their efforts.

SCHOOL BUILDINGS

Atkinson is one of the fastest growing towns in the state. One set of population figures showed a 38% increase in population from 1950 to 1956. It is understandable why the school enrollment has increased so considerably.

Plans are underway to add an additional room in the Academy Building. This will prevent class sizes averaging 33 for this coming year — which is not good for double grades — and will prepare us for still greater increases to come. If we can keep the class size between 25-30 it will materially help in producing better achievement results.

The heating system at the Rockwell School has not been satisfactory. It has been impossible to heat the rooms adequately during the extremely cold weather, and the children have had to sit in rooms colder than they should be. The School Board is planning to have changes made in the heating system which will remedy this condition.

Your School Board has continued to maintain and improve the physical conditions of the Atkinson Schools. Important improvements made since the last annual report have included the painting of the exterior of the Academy, the exterior at Rockwell, and two classrooms; the refinishing of several floors at the Academy, the replacement of two rooms of lightproof shades and the hot-topping of an area at the Academy for a basketball court.

BONDED INDEBTEDNESS AND BORROWING CAPACITY

According to New Hampshire State Law, a school district may borrow up to 4% of the assessed valuation as equalized; by special permission the district may borrow up to 6%. The Atkinson School District has an assessed valuation as equalized of $2,291,111 for 1956. The 1958 figure will undoubtedly be con-

siderably larger when it is released later this spring. The present indebtedness as of March 1959 is $21,000 which means that the present net borrowing capacity of the district, as of March 1959 is $70,644.44 at the 4% rate and $116,466.66 at the 6% rate.

The 1957 State Legislature increased the state contributions towards costs of new school construction from 20% to 30% of the district's annual payment toward principal on all outstanding bonded indebtedness. This State Aid would be available toward payments on the additional room at the Academy.

CURRICULUM

The courses of study and the textbooks in use in the Atkinson schools meet the highest standards. Emphasis has been placed on reading, and a complete testing program under the guidance of Helping Teacher Robert W. Dolph, is in operation. Mr. Dolph also acts as a consultant in the area of retardation and maladjustment.

Placed before the citizens of Atkinson at the District meeting will be warrant articles pertaining to hiring, on a Union basis, a remedial reading teacher, a teacher of special education and an art supervisor. These people will be available for the school in Plaistow, Hampstead, Atkinson and Newton, prorated according to enrollments and adjusted valuation — for both service and expense. The law states that new services such as these must be voted by the people one year prior to their being offered, if they are to be used on a Union basis. No money is required for the 1959-1960 school year. These are services that will improve our educational program and should be seriously considered.

Educational Television was introduced in the Atkinson Schools this past year and has proven very successful. The Principal's report contains more specific information on its progress.

A summer school program was carried out last year in Union No. 55, under the direction of Mr. Dolph. This program also proved very successful and may be continued this coming summer if parents are interested.

People generally in the United States are becoming more concerned about education and this is a healthy situation. I believe

that the United States has the best educational system in the world and I hope that we may, in each community, strive for an improved system that will produce intelligent and understanding leadership.

COMMUNITY ORGANIZATIONS

Appreciation is expressed for the continued support and cooperation of the Atkinson Parent-Teacher Association, the American Legion, the Lions Club and all other local organizations.

I wish to thank the School Board, teachers and children for their cooperation in making our work successful.

Respectfully submitted,

WENDELL V. DAVIS,

Superintendent of Schools.

REPORT OF THE PRINCIPAL

To the School Board and to Mr. Wendell Davis, Superintendent of Schools:

I herewith present my seventh annual report as Principal of the Atkinson schools. In reviewing another year of activity in our schools, we find that there have been some moments of discouragement, but also we have accomplished much for which we believe we may well feel a sense of satisfaction.

As in previous reports, may I first emphasize the fact that we consider the primary aim of education to be the development of happy, useful citizens of whom this community may be proud. To accomplish this, each child should now be obtaining, as far as his capacities allow, the fundamental skills, understandings and attitudes which he will need for success in further education and in whatever situations he may meet in the future.

To better achieve this objective, our program of instruction is constantly changing. We are trying out new methods and materials which seem to have merit without abandoning those which have been giving good results in the past.

A new reading series, which we have been gradually introducing into our schools is now complete and some extremely encouraging results in this most important area were evidenced in the achievement tests given last October. We are hoping for similar progress with our new arithmetic texts.

Education by television was introduced in our schools in September, with programs in social studies, music, literature and science. These broadcasts, consisting of a half-hour program weekly, have proven popular with the children and teachers, but more important, have given the children an opportunity to have in their classrooms specialists in these areas of study, along with facilities which our small system could not expect to have otherwise. There are many possibilities in this field and the school district of Atkinson should be congratulated for being one of the first schools in this area to offer this resource to its children.

In addition to our regular instructional program, the school continues to offer services in the following areas: 1) band, 2) vocal music, 3) health education, 4) hot lunch, 5) savings stamps, and 6) safety education.

The band this year is being directed by Calvin Schraga. We lost eight members last June due to graduation, but have a sizeable class of beginners. We have weekly lessons for the two groups with monthly meetings for the advanced members in Plaistow with band members from other towns in this Union. Last year the band took part in concerts in Plaistow and Salem, and also played at the Atkinson Memorial Day exercises.

The vocal music program directed by Miss Ann Treadway includes activities appropriate to the various grade levels including training in music fundamentals, music appreciation, dancing and singing for enjoyment. Miss Treadway also ably directs the music for graduation and for the Christmas program. The value of keeping a music supervisor in the system for more than one year is clearly indicated by the improvement shown in the music program this year. Miss Treadway, now in her second year with us, has not had to spend the time getting acquainted with the system and the children, as each new supervisor has had to do in recent years.

The health program is familiar to most people of the community. Mrs. Gwendolyn Banks continued to capably supervise the many phases of this important service. Included are the annual checks of vision and hearing, medical examinations for grades one, three, five and seven, health talks and films in the classrooms, assistance with the pre-school registration and many home visits. Mrs. Banks joins the school family in expressing appreciation to the Lions Club for the fine new Vision Tester which they have provided for use in the schools of Union No. 55. We also have a new Puretone Audiometer for use in testing the hearing.

Hot lunches continue to be very popular with the children in Atkinson. Due to increased costs and a decrease in surplus products from the government, it has been necessary to raise the price to the children this year. According to occasional visitors, who have an opportunity to eat at other schools, our meals compare very favorably with those at other schools. Credit for this ex-

cellent program is, of course, due to Mrs. Ruth Kilburn, Manager, and her assistant, Mrs. Bessie Bezanson.

The safety patrol was increased last year to include a bus patrol. Children in charge of this phase of the patrol direct the children entering and leaving the bus, crossing the street, and conduct on the bus. Mr. Robert Hotchkiss, the bus driver, feels that this group has been of considerable assistance to him. This fall the patrol was organized on a more efficient basis with officers who take care of minor difficulties and routine matters. Officers and members were presented with belts and badges and were instructed in the duties of the patrol by a representative of the A.A.A., and Mr. Kenneth Hurteau of the Motor Vehicle Department. Also, in our efforts to emphasize safety, Mr. Hurteau, representing the Motor Vehicle Department, last spring showed a film and gave a safety lecture for the children.

Many pupils take advantage of the opportunity to purchase savings stamps each week. This program has the dual purpose of forming habits of saving and promoting good citizenship.

A number of special events held each year should be mentioned here, including the county spelling bee, class trips, graduation and the Christmas program.

We are very proud of our entrant in the Rockingham County Spelling Bee held in Portsmouth last spring. Sally Pentico won the fourth place trophy. She competed in a group of over thirty school champions. This makes the fourth time in five years that our representative has finished in the top ten in the county.

The children enjoyed a number of worthwhile trips last spring including visits to the circus in Boston, Benson's Animal Farm and to historic points of interest at Concord and Lexington, Massachusetts.

Graduation exercises were held in June for twenty eighth grade pupils — our largest graduating class. Through essays and music, the children presented a program on the theme "The Settlement of the West." The Good Citizenship Medal presented by the Sons of the American Revolution, was awarded to William Hurteau. In the essay contest sponsored annually by the Ameri-

can Legion of Plaistow, for eighth grade children of this area, Charlotte Hutcheson won honorable mention.

The Christmas story of the birth of Christ was presented at the December meeting of the Parent-Teacher Association, by the pupils of the upper four grades.

The Parent-Teacher Association deserves considerable credit for their activities of the past year. Recreation for the children of the community has been their project. The Rifle Club has been very successful and a group of Brownies has been started for the girls in the lower grades. The meetings continue to be of a worthwhile nature and provide opportunity for closer cooperation between parents and teachers in helping the children of Atkinson strive toward those goals which we all wish them to reach.

To conclude, may I once again take this opportunity to thank the school board, the superintendent, helping teacher, supervisors and office staff, my most cooperative group of teachers and all those parents and friends of the schools for their support and understanding in the carrying out of the school program.

Respectfully submitted,

CHARLES B. YEATON,

Principal.

ENROLLMENT IN HIGH SCHOOLS

The following tabulation shows the number of high school pupils by grades attending various schools, and tuition rates.

Grades	Sanborn Seminary	Haverhill High	Haverhill Trade	Woodbury High	Pentucket Regional
9	4	15	5	0	0

ATKINSON SCHOOL DISTRICT
ANNUAL MEETING AT GRANGE HALL

MARCH 13, 1958

The meeting opened at 7:33 p.m., with Moderator Harry B. Tuttle reading the warrant. This was followed by voting by ballot on Articles 1, 2, 3, 4, and 7. The polls were closed at 8:34 p.m.

The business meeting was held, followed by the counting of the ballots, with the following results:

Moderator

Harry B. Tuttle	49 votes	elected
George E. Wright	1 vote	
Kingdon H. Hamilton	1 vote	
Allister F. MacDonald	1 vote	

Clerk

Allister F. MacDonald	41 votes	elected
Edmund Little	2 votes	
Roger Sawyer	1 vote	
Martin Feuer	1 vote	
Robert Hotchkiss	1 vote	

Member of School Board

Kenneth H. Hurteau	68 votes	elected
Dr. Herbert Q. Horne	1 vote	

Treasurer

Lillian E. Wright	68 votes	elected

Auditors

Gladys R. Dyke	65 votes	elected
Philo A. Hutcheson	51 votes	elected
Edmund Little	8 votes	
Philip Churchill	1 vote	
George White	1 vote	
Robert Hotchkiss	1 vote	

The new officers were sworn in by Moderator Tuttle and Moderator Tuttle was sworn in by Clerk MacDonald.

Other articles in the warrant were discussed and voted upon with these results:

Article 5. $395.00 was voted for salaries of School Board members and Truant Officer and any other officers and agents of the district.

Article 6. It was voted that all reports mentioned in this article be accepted as printed in the town reports.

Article 8. Each item in the budget work sheet was discussed and voted on by itself. There was an affirmative vote on each item. A change was made in Item 14. The School Board suggested a lower figure of $1,956.84 and this was the figure voted on. Another change was made in this budget work sheet by the insertion of the amount of $250.00 at Item 22, this figure was also approved by the voting.

The approved grand total for Article 8 was $58,869.76.

Article 9. This article to be laid on the table.

Article 10. At this time our Superintendent, Mr. Davis, addressed the School Board and District Officers and citizens present.

Mr. Frank R. Bies sought progress information from the group studying regional school systems.

Mr. Kingdon H. Hamilton, a member of the study group, gave a brief report.

Mrs. Jan Musselman questioned availability of high school room at Haverhill, Mass., and was assured by the School Board that this would not be an immediate problem to us.

Mr. Edward Radulski encouraged the regional school system committee to continue their interest in this study.

Mr. Hamilton of the School Board mentioned to those present of the appointment, by his board, of Allister F. MacDonald to fill the unexpired term of Malcolm C. Noyes, former Clerk and now a member of the State Police of New Hampshire. His appointment to this organization required Mr. Noyes to relinquish his office as Clerk.

Mr. Charles Yeaton, Principal of Schools, also addressed the group.

This meeting was adjourned at 9:58 p.m. on March 13, 1958.

A true report. ALLISTER F. MacDONALD,

School District Clerk.

SCHOOL CALENDAR

1958 - 1959

Teachers' Meetings	Tuesday, September 2
Fall Term Begins	Wednesday, September 3
Fall Term Closes	Tuesday, December 23 (full day)
Winter Term Begins	Monday, January 5
Winter Term Closes	Friday, February 20
Mid-winter Term Begins	March 2
Mid-winter Term Closes	April 24
Spring Term Begins	May 4
Spring Term Closes	On or about June 16
Teachers Dismissed	One day after schools close

(This closing date allows for 3 days closed due to weather, but this will vary according to holidays observed in each town.)

HOLIDAYS

Columbus Day	October 12 and 13 (Sunday and Monday)
Veterans' Day	November 11, Tuesday
Thanksgiving Recess	November 26 at noon, 27, 28
Memorial Day	May 30 (Saturday)

DAYS CREDITED FOR PROFESSIONAL IMPROVEMENT

State Teachers' Convention	October 16-17
Spring Institute	April 10 (to be confirmed)

By ruling of the State Board of Education, schools must be in session for 180 days.

VITAL STATISTICS

Births

November 6, 1957. Darlene Elizabeth Hart, daughter of Walter Hart and Rita F. (Conley) Hart.

January 15, 1958. Julie Lynn Councilman, daughter of Maurice N. Councilman and Doris E. (Nelson) Councilman.
